Your Lordship,

RE: OUR COMPLAINT OF PROFESSIONAL MISCONDUCT AND REQUEST FOR APPROPRIATE DISCIPLINARY MEASURES AGAINST MR. OLUMUYIWA AKINBORO SAN

I write to humbly remind Your Lordship of a matter that has been pending before the Legal Practitioners Privileges Committee (LPPC) for several years, which is of immense importance to us as petitioners and, indeed, to the integrity of the legal profession in Nigeria.

Our original petition on this subject was submitted and duly acknowledged on **6th April 2017**. This petition, seeking disciplinary action against Mr. Olumuyiwa Akinboro SAN for alleged professional misconduct, has unfortunately not reached a conclusion to date.

In response to our persistent follow-up, we were invited to appear before a Sub-Committee of the LPPC, which we did on **5th and 6th July 2021**. During the proceeding on 5th July, arguments were taken from the parties as regards the propriety of the case before LPPC and the Sub-Committee adjourned to 6th July 2021 for a ruling. However, on the 6th of July, we were informed that the Sub-Committee lacked the mandate to make a ruling, as its role was limited to reporting back to the main Committee for a decision. Since then, no decision or communication has been made regarding the outcome of this matter.

Further, on **18th May 2023**, we wrote to your immediate predecessor, Hon. Justice Olukayode Ariwoola, GCON, to express our concerns about the prolonged delay and to seek resolution. Regrettably, our plea has also not elicited any response or progress.

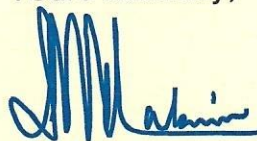

Your Lordship, we recognize and respect the enormous responsibilities shouldered by the Supreme Court and the LPPC. However, the delay in concluding this matter raises serious concerns about public confidence in the disciplinary processes of the legal profession. Timely resolution of this petition will not only serve justice but also reinforce the integrity and accountability that are hallmarks of the legal profession in Nigeria.

In light of the above, I respectfully appeal to Your Lordship to intervene by setting up a new Sub-Committee or by taking any other appropriate measures to ensure that this matter is conclusively addressed. We remain hopeful that under your esteemed leadership, this longstanding issue will be resolved, setting a commendable precedent for addressing matters of professional misconduct.

While awaiting your kind consideration of this reminder, we wish to reaffirm our unwavering confidence in Your Lordship's leadership and our commitment to the due process of law.

Please accept the assurances of my highest regards and esteem.

Yours faithfully,

Kabiru Sulaiman Chafe
Chairman/CEO
